Chairman's Message

To all the members,

I hope that all of you and your family members are safe and of sound health. The year 2020-2021 has been a very challenging year. The onset of Covid-19 leading to wide scale disruptions created ripples on a scale never experienced before. Rungta Irrigation Limited, a Public Limited Company based on quality commitments and consistent sustainable efforts tried its level best to sail through the difficult times. The most important message is the belief that no challenge is too big.

In 2020-21, Rungta Irrigation Limited redefines its model size & organization in order to manage its business more efficiently in the new competitive world. We have finished the year with a positive result, though the profit as compared to last year has been reduced. Covid-19 has led to slow economic growth and a huge impact on the industry at large. Hence, I would like to acknowledge the critical role played by the employees in contributing to the growth of the Company and not only for their effort & commitment but also for the continued dedication to offering quality products which have always made us stand out to our customers.

Our right blends of strategies, principles and governance helped us in protecting our financial integrity.

We continue to improve the quality of our products and services for our customers and increased efforts to raise the shareholders value. This will boost the sustainability and our companies' maximum performance.

I would like to thank the Central and State Governments, Financial Institutions, Public and Private sector Banks, Government Agencies and Non-Government Institutions who have extended their support in the development and growth of your Company. I also take this opportunity to thank the Vendors, Customers and Business Associates who have supported our business plans.

On behalf of the Board, I would like to thank all the shareholders for their unstinted support in helping your Company to enhance its technological and business strengths and remain on the path of growth. I really look forward to be more committed in delivering better results for those associated with the Company.

In pursuance of Section 113 of the Companies Act, 2013, Corporate members intending to send their authorized representative(s) to attend the Meeting can send to the Company, a certified true copy of the relevant Board Resolution together with the attested specimen signature(s) of the representative(s) authorized under the said Board Resolution to attend and vote on their behalf at the Meeting.
11. In pursuance of Section 112 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a state can attend the AGM through VC/OAVM and cast their votes through e-voting.
12. In line with the Ministry of Corporate Affairs (MCA) Circular No. 02/2020 dated January 13, 2021, the Notice calling the AGM along with Annual report for the financial year 2020-21 has been uploaded on the website of the Company at www.runtairrigation.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

ELECTRONIC VOTING - FOR REMOTE E-VOTING AND E-VOTING DURING AGM

13. **The Company is providing the facility for voting by electronic means (e-voting) through an electronic voting system which will include remote e-voting and the business set out in the Notice will be transacted through such voting.**
 - Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020 and January 13, 2021, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM through VC/OAVM will be provided by CDSL.
 - The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
 - The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
 - The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
 - In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January 13, 2021.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on September 27, 2021 at 10:00 A.M. and ends on September 29, 2021 at 5:00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of September 23, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

2. Industry overview:

The financial year 2020-2021 started with a bleak mindset on the global economy due to sudden Covid pandemic. Due to Covid-19 emergency, the year under review was expected to face the force of the economic crises. However, the Indian Economy displayed remarkable resilience.

Due to nationwide lockdown, all the sectors including manufacturing sector suffered a lot. Lock down imposed restrictions on the movement of goods and people, severely impacted workforce capacity and disrupted supply chains, bringing nearly all manufacturing activity to a stand-still.

The effects of Covid disruptions can be seen nationwide, however, the extent of its impact on key sectors like water, wastewater and agriculture is uncertain. The Government is taking several initiatives to protect our sector. Several initiatives and new projects in the areas of major irrigation, minor irrigation, watershed management is been facilitated. The company managed to perform relatively better since it is driven more by domestic consumption. It is anticipated that there shall be increased business opportunities for the company in the near future.

3. Outlook on opportunities, threats, risks, and concerns:

We are into the business of Micro irrigation (Drip & Sprinkler irrigation system). Farmers are main users of this modern irrigation system. Also, half of the population of our country depends on agriculture for their livelihood. Every year, risks of shortfall in rain, uneven distribution of rainfall, competition from small manufacturers of unorganized sector and drought like situation are faced by the Company. All the irrigation companies are also affected by seasonality. Although, to popularize this system Government of India and State governments provide assistance (Subsidy) to the farmers under Pradhan Mantri Krishi Sinchayee Yojana (PMKSY). Government of India has planned 3921.65 Cr budget FY 2021-22. This will give us ample business opportunities for the Company. To execute these business, the company has obtained registration in all major state governments like UP, MP, MH, GUJ, Telangana, Tamilnadu, Karnataka, Rajasthan, Haryana, Punjab, Himachal Pradesh, Uttarakhand, Jharkhand, Bihar, West Bengal & Odisha . All products are manufactured as per the latest standards of BIS & ISO.

4. Implications of COVID-19 crises:

In combination with other risks, and in continuance of last year, this year also, COVID-19 continued to disrupt our lives. It has also upended economies affecting many Companies, leading to rising unemployment. Looking at the future, it is likely that COVID-19 will not vanish immediately. The actions of the corporates need to be managed alongside persistent infection risks. The possible risk assessment taking into account all the factors is done by the Company and response to mitigate risks is incorporated in the business policies and business continuity plan.

5. Internal Control System & Adequacy:

The company has an adequate system of internal controls commensurate with the size and nature of the business of the company designed to provide reasonable assurance that assets are safeguarded; transactions are executed in accordance with the management's authorization and properly recorded. Accounting records are adequate for the preparation of financial statements and other financial information. Internal audit is conducted on a continuous basis to ascertain the adequacy and effectiveness of internal control systems. Their observations are reviewed by the senior management and the Audit Committee.

4. Remuneration Structure & Components:

Managing Director and Whole Time Director(s)

The Managing Director and Whole Time Director(s) shall be paid both fixed and variable components of Remuneration subject to the provisions of the Act, Rules and other laws, rules and regulations and the Listing Regulations. The variable component of Remuneration shall have a co-relationship with the performance of such a Director against a prescribed benchmark along with the factors such as the financial performance of the

Company. The Committee shall recommend to the Board from time to time Remuneration packages for Managing Director(s) and Whole Time Director(s) keeping a balance between fixed and variable pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals including internal comparison amongst compensation of Managing Director / Whole Time Director(s) and median employee pay.

Non-Executive Directors

Non-executive Directors shall be paid an adequate and reasonable sitting fee for attending meetings of the Board and committees thereof subject to the maximum amount permissible under the Act and Rules. Subject to the adequacy of the profits and approval of the Shareholders, the Company may pay commission to the Non- Executive Directors of the Company.

The Board shall determine the appropriate criterion for payment of commission to Non- Executive Directors which may include the time devoted by the Directors for the business of the Company, the contribution made by the Director in the functioning of the Company, etc.

Other KMPs and Employees

The payment structure, salary levels and policies pertaining to perquisites and benefits including retirement benefits are designed as per the industry practice, business needs or other factors related to the business of the Company.

The Human Resource Department undertakes a review of the Remuneration through periodic benchmarking exercises, surveys and/ or market trends. The various Remuneration components are combined to ensure an appropriate and balanced Remuneration package depending upon the level of employee, job profile, performance, future potential, and other relevant variables.

The Remuneration of Senior Management personnel and other employees are based on the following main principles:

- a) Demand-supply relationship of the concerned job expertise.
- b) The need of the organization to retain and attract talent and its ability to pay.
- c) Employees' social aspiration for enhancing the standard of living.
- d) Compensation Trends in the industries in which the Company operates.

The compensation of Senior Management personnel comprises of the fixed component as well as performance-based incentives apart from perquisites and benefits including retirement benefits. While recommending the increment and performance incentive of Senior Management personnel, the Committee shall strike a balance between fixed and variable pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The Remuneration package of other employees depends upon the nature of the business, job profile and other factors mentioned above. Apart from a fixed component, the package may include one or more variable components such as performance-based incentives, annual bonuses, production linked bonus, etc., as the case may be.

5. General:

This Remuneration Policy can be amended, modified or revised by the Board from time to time. In case any provisions of this Remuneration Policy are contrary or inconsistent with the provisions of the Relevant Laws, the provisions of Relevant Laws shall prevail.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of Rungta Irrigation Limited

Report on the IND AS Financial Statements

We have audited the accompanying IND AS financial statements of Rungta Irrigation Limited [CIN: L74899DL1986PLC023934] ("the Company"), which comprise the Balance Sheet as at March 31, 2021, and the Statement of Profit and Loss (including other comprehensive income), and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial

performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance or conclusion thereon.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during the audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss [including other comprehensive income], the Statement of changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid IND AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors of the Company as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.

- g) With respect to the matter to be included in the Auditor's Report under section 197(16), In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its IND AS financial statements. Refer Note No. 38 to the IND AS financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 'A'

To the Independent Auditor's Report – 31st March 2020 on the IND AS Financial Statements
(Referred to in our report of even date)

- i.
 - (b) The company has maintained proper records showing full particulars, including quantitative details and situation of its fixed assets.
 - (c) As explained to us, fixed assets have been physically verified by the management at reasonable intervals; no material discrepancies were noticed on such verification.
 - (d) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land and building that have been taken on lease and disclosed as fixed assets in the financial statements, the lease agreements are in the name of the Company.
- ii. We have been explained by the management that the inventory has been physically verified at reasonable interval and the procedure of physical verification of the inventory followed by the management are reasonable in relation to the size of the company and nature of its business. However, due to Covid-19 related lock-down restrictions imposed by the government, our attendance at the physical Inventory verification done by the management near to year end, was impracticable considering such lock-down restrictions. Consequently, we have performed alternative audit procedures to obtain comfort over the existence and condition of inventory at the year-end as per the guidance provided by SA 501 "Audit Evidence – Specific Considerations for Selected Items" and have obtained sufficient audit evidence. As far as we could ascertain and accordingly to the information and explanations given to us, no material discrepancies were noticed between the physical stock and book records.
- iii. **According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties listed in the register maintained under Section 189 of the Companies Act, 2013. Consequently, the provisions of clauses iii (a), (b) and (c) of the order are not applicable to the Company.**
- iv. In our opinion and according to the information and explanations given to us, the company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. According to the information and explanations given to us, the company has not accepted any deposits during the year and does not have any unclaimed deposits as at March 31st, 2020 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi. We have broadly reviewed the records maintained by the Company pursuant to the rules prescribed by Central Government for maintenance of cost records under section 148(1) of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records.
- vii. According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Goods and Service Tax, Value Added Tax, Customs Duty, Excise Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.

- (b) There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax (except as mentioned in the notes to accounts), Sales Tax, Service Tax, Value Added Tax, Goods and Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues in arrears as at March 31, 2020 for a period of more than six months from the date they became payable.
- viii. In our opinion and according to the information and explanations given by the management, we are of the opinion that, the Company has not defaulted in repayment of dues to a financial institution, bank, Government or debenture holders, as applicable to the company.
- ix. Based on our audit procedures and according to the information given by the management, the company has not raised any money by way of initial public offer or further public offer (including debt instruments) or taken any term loan during the year.
- x. According to the information and explanations given to us, we report that no fraud by the company or any fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. According to the information and explanations given to us and based on our examination of the records, the Company has paid or provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V of the Act.
- xii. In our opinion and according to the information and explanations given to us, the company is not a Nidhi Company. Therefore paragraph 3 (xii) of the order is not applicable to the company.
- xiii. According to the information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the IND AS Financial Statements etc. as required by the applicable accounting standards.
- xiv. According to the information and explanations given to us and based on our examination of the records, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, paragraph 3(xiv) of the Order is not applicable to the Company.
- xv. According to the information and explanations given to us and based on our examination of the records, the company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- xvi. The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly paragraph 3(xvi) of the Order is not applicable to the company.

Report on Internal Financial Controls Over Financial Reporting

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/S Rungta Irrigation Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the IND AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the IND AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable

assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of IND AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the IND AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

Notes to the Financial Statements

1) Corporate Information

Rungta Irrigation Limited ('The Company') is a public company domiciled in India and incorporated under the provision of the Companies Act. The shares of the Company are listed in India on Bombay Stock Exchange Limited. The Registered office of the Company is located at 101 Pragati Tower 26, Rajendra Place, New Delhi-110008. The Company is primarily engaged in the activity of Manufacturing, assembling and marketing of Sprinkler Irrigation systems. The product range of the company includes HDPE, PVC, Aluminium, MDPE, Sprinklers Pipes & Drip Irrigation systems.

2) Significant Accounting Policies

This note provides a list of significant accounting policies adopted in the presentation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of Preparation

The Financial Statements have been prepared in accordance with Indian Accounting Standards (hereinafter referred to as the "Ind-AS") as notified by the Ministry of Corporate Affairs, pursuant to section 133 of the Companies Act 2013 (The Companies (Indian Accounting Standards) Rules, 2015) and comply in all material aspects with their provisions.

Historical Cost Conventions and Fair Value

The Financial statements are prepared as per IND AS notified under companies (Indian accounting standards) Rules, 2015 as amended by Companies (Indian Accounting Standards) Rules, 2016.

The Financial Statements are prepared on Historical Cost method except for:-

- Derivative financial instruments
- Plan Assets of Defined employee benefit plans
- Certain financial assets and liabilities measured at Fair Value (refer accounting policy regarding financial instruments)

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Reporting Presentation Currency

All amounts in the financial statements and notes thereon have been presented in Indian Rupees (INR) (reporting and primarily functional currency of the company) and rounded off to the nearest Lakhs with two decimals, unless otherwise stated.

2.2 Classification of Assets and Liabilities

All the assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Ind-AS 1 notified under the Companies (Indian Accounting Standards) Rules, 2015. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, twelve months has been considered by the Company for the purpose of current/ non-current classification of assets and liabilities. However certain liabilities such as trade payables and some accruals for employee and other operating costs are part of the working capital used in the Company's normal operating cycle, accordingly classified as current liabilities even if they are due to be settled more than twelve months after the reporting period

2.3 Accounting Estimates & Judgements and key sources of estimation uncertainty

Due to the nature of the Company's operations, critical accounting estimates and judgements principally relate to the:

- Tangible fixed assets (estimate useful life);
- Intangible fixed assets (estimate useful life)
- Impairment testing (if and when applicable)
- Provision inventories (obsolescence / lower net realizable value)
- Provision for doubtful debts
- Provision for employee's post-employment benefits (actuarial assumptions)

In preparing the financial statements in conformity with the accounting principles generally accepted in India, management is required to make estimates and assumptions that affect reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of the financial statements and the amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognised in the period in which the same is determined.

The management of the Company makes assumptions about the estimated useful lives, depreciation methods or residual values of items of property, plant and equipment, based on past experience and information currently available. In addition, the management assesses annually whether any indications of impairment of intangible assets and tangible assets. The management of the Company believe that on balance sheet date no impairment indications were existing.

The management of the Company believe that the inventory balances on hand could be sold to the third parties at the disclosed value taking into consideration the condition of inventories held and current conditions in the market.

Furthermore, the management believe that the net carrying amount of trade receivables is recoverable based on their past experience in the market and their assessment of the credit worthiness of debtors at 31st March 2021.

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. COVID-19 is significantly impacting business operation of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure/lockdown of production facilities etc. On 24th March, 2020, the Government of India ordered a nationwide lockdown for 21 days which further got extended till 3rd May, 2020 to prevent community spread of COVID-19 in India resulting in significant reduction in economic activities. In assessing the recoverability of Company's assets such as Investments, Loans, Intangible assets, Trade receivable etc. the Company has considered internal and external information. The Company's has done analysis of the assumptions used basis the internal and external information/indicators of future economic conditions, the Company's expects to recover the carrying amount of the assets.

2.4 Operating Segments

Company operates in only one reportable operating segment of manufacturing of irrigation products, in accordance with the Ind AS 108 (Operating Segments).

2.5 Inventories

Inventories are measured at lower of cost or net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Cost of raw materials, stores, packing materials are determined on FIFO basis. Finished Goods & Work in progress are valued at lower of cost and net realisable value. Net realisable value is the estimated selling

price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Non usable wastes are valued at net realizable value.

2.6 Property, Plant and Equipment

Land, buildings, plant and equipment held for use in the production or supply of goods or services, or for administrative purposes are stated at historical cost or deemed cost less accumulated depreciation (except Land) and any accumulated impairment losses. Cost comprises of purchase price and any directly attributable cost of bringing the assets to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred. Capital work-in-progress includes cost of property, plant & equipment under installation/under development as at the balance sheet date.

2.7 Intangible Assets

Intangible assets acquired separately are measured on initial recognition at historical cost. Intangibles assets have a finite life and are subsequently carried at cost less any accumulated amortization and accumulated impairment losses if any.

Intangible assets with finite lives are amortized over the useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit or loss when the asset is derecognized.

Amortization methods and estimated useful lives:
Software - 4-6 Years

2.8 Impairment of Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

2.9 Depreciation

Depreciation is provided on a pro-rata basis on the written down value method over the estimated useful lives of asset Land and capital work in progress are not depreciated. The estimated useful lives considered for providing depreciation on other substantial assets are as follows:

Factory Buildings – 30 Years
Non Factory Buildings- 60 Years
Plant and Machinery – 10-15 Years
Furniture and Fixtures- 10 Years
Office Equipment- 5 Years

Computers- 3 Years
Vehicles- 6-8 Years

The asset's useful lives and methods of depreciation are reviewed at the end of each reporting period and adjusted prospectively, if appropriate.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing net disposal proceeds with carrying amount of the asset.

These are included in profit or loss within other income. Assets costing less than or equal to Rs. 5,000 are fully depreciated pro-rata from date of acquisition

2.10 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

(a) Initial recognition and measurement:

All financial assets are recognized initially at fair value and, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

(b) Subsequent measurement:

For purposes of subsequent measurement financial assets are classified in two broad categories:

Financial assets at fair value

Financial assets at amortized cost

(c) Classification:

The Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flows characteristics of the financial asset.

(d) Financial assets measured at amortized cost:

Financial assets are measured at amortized cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely for payments of principal and interest. Such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. The losses arising from impairment are recognized in the Statement of profit and loss. This category generally applies to trade and other receivables.

(e) Financial assets measured at fair value through other comprehensive income (FVTOCI):

Financial assets under this category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income.

(f) Financial assets measured at fair value through profit or loss (FVTPL):

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognized in profit or loss.

(g) Derecognition of Financial assets:

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset, if an entity transfers a financial asset in a transfer that qualifies for derecognition in its entirety and retains the right

to service the financial asset for a fee, it shall recognize either a servicing asset or a servicing liability for that servicing contract. If the fee to be received is not expected to compensate the entity adequately for performing the servicing, a servicing liability for the servicing obligation shall be recognized at its fair value. If the fee to be received is expected to be more than adequate compensation for the servicing, a servicing asset shall be recognized for the servicing right at an amount determined on the basis of an allocation of the carrying amount of the larger financial asset.

(h) Impairment of Financial assets:

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments and trade receivables. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition.

Financial Liabilities

(a) Initial recognition and measurement:

All financial liabilities are recognized initially at fair value and, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

(b) Classification & Subsequent measurement:

If a financial instrument that was previously recognized as a financial asset is measured at fair value through profit or loss and its fair value decreases below zero, it is a financial liability measured in accordance with IND AS. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term.

The Company classifies all financial liabilities as subsequently measured at amortized cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

(c) Financial liabilities measured at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. At initial recognition, such financial liabilities are recognized at fair value. Financial liabilities at fair value through profit or loss are, at each reporting date, measured at fair value with all the changes recognized in the Statement of Profit and Loss.

(d) Derecognition of Financial Liabilities:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting financial instruments:

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis to realize the asset and settle the liability simultaneously. Subsequent recoveries of amounts previously written off are credited to Other Income.

2.11 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible in cash and subject to insignificant risk of change in value.

2.12 Trade Receivables

Trade receivables are amounts due from customers for goods sold in the ordinary course of business. If collection is expected to be collected within a period of 12 months or less from the reporting date, they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component.

2.13 Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Provisions in the nature of long term are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

2.14 Employee Benefits

a) Short Term Obligations

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages etc. and the expected cost of bonus, ex-gratia, and incentives are recognized in the period during which the employee renders the related service.

b) Post-Employment Obligations

Defined contribution plans

The Company's contribution to provident fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plan

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognized in the Other Comprehensive Income in the period in which they occur. Past service cost is recognized immediately to the extent that the benefits are already vested and otherwise is amortized.

2.15 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is received. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excludes taxes/ duties collected on behalf of the government.

(a) Sale of goods

Revenue from the sale of goods is recognized, when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of consideration received or receivable, net of returns and allowances, trade discounts, volume rebates. Accordingly, revenues from sale of goods are stated gross of GST not received

by the company on its own account but collected on behalf of the government and accordingly, are excluded from revenue.

(b) Interest income

Interest income is recognized using the time proportion basis, based on the underlying interest rates.

(c) Rental Income

Rental income is recognized on a time-apportioned basis in accordance with the underlying substance of the relevant contract.

(d) Dividend

Dividend is recognized when the company's right to receive the payment is established, which is generally when shareholders approve the dividend.

2.16 Income Taxes

The income tax expense is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided using the liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realization or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantially enacted at the balance sheet date. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.17 Foreign currency transactions and translation

Transactions in foreign currencies are recorded in functional currency at the exchange rates prevailing at the date of the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currency are translated to the functional currency at the exchange rates prevailing at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in the statement of profit and loss with the exception for exchange differences on foreign currency borrowings relating to qualifying assets under construction are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings.

2.18 Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Transaction cost in respect of long-term borrowings are amortised over the tenure of respective loans using effective interest method. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

2.19 Contingent Liability and Contingent Assets

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity, Contingent assets are not recognized, but are disclosed in the notes. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

2.20 Earnings per Share

As per Ind AS 33, Earning per Share, Basic earnings per share are computed by dividing the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year. The weighted average numbers of shares also includes fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures or any other instrument, from the date consideration is receivable (generally the date of their issue) of such instruments. Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

2.21 Share Capital and Securities Premium Reserve

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

Par value of the equity share is recorded as share capital and the amount received in excess of the par value is classified as securities premium reserve.

	<p>Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.</p> <p>Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.</p> <p>Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.</p> <p>There are no transfers between level 1 and level 2 during the year</p>
(b)	Valuation technique used to determine fair value
	<p>Specific valuation techniques used to value financial instruments include:</p> <ul style="list-style-type: none"> - the use of quoted market prices or dealer quotes for similar instruments - the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date - the fair value of the remaining financial instruments is determined using discounted cash flow analysis. <p>All of the resulting fair value estimates are included in level 2 or level 3, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.</p>
(c)	Fair value estimation
	<p>Estimated fair value disclosures of financial instruments are made in accordance with the requirements of Ind AS 107 "Financial Instruments: Disclosure". Fair value is defined as the amount at which the instrument could be exchanged in a current transaction between knowledgeable willing parties in an arm's length transaction, other than in forced or liquidation sale. As no readily available market exists for a large part of the Company's financial instruments, judgment is necessary in arriving at fair value, based on current economic conditions and specific risks attributable to the instrument. The estimates presented herein are not necessarily indicative of the amounts the Company could realize in a market exchange from the sale of its full holdings of a particular instrument.</p> <p>The following summarizes the major methods and assumptions used in estimating the fair values of financial instruments.</p>
	Interest-bearing borrowings
	<p>Fair value is calculated based on discounted expected future principal and interest cash flows. The carrying amount of the Company's loans due after one year is also considered as reasonable estimate of their fair values as the nominal interest rates on the loans due after one year are variable and considered to be a reasonable approximation of the fair market rate with reference to loans with similar credit risk level and maturity period at the reporting date.</p>
	Trade and other receivables / payables
	<p>Receivables / payables typically have a remaining life of less than one year and receivables are adjusted for impairment losses. Therefore, the carrying amounts for these assets and liabilities are deemed to approximate their fair values, as the allowance for estimated irrecoverable amounts is considered a reasonable estimate of the discount required to reflect the impact of credit risk.</p>

	<p>Other long term receivables</p> <p>These receivables are regularly reviewed and adjusted for impairment losses. Therefore, management considers the carrying amount of these receivables to approximate fair value.</p>
(d)	<p>Valuation process</p> <p>The accounts & finance department of the Company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee (AC).</p> <p>Discussions of valuation processes and results are held between the CFO, AC and the valuation team at least once every three months, in line with the Company's quarterly reporting periods.</p> <p>The main level 3 inputs for unlisted equity securities, contingent considerations and indemnification asset used by the Company are derived and evaluated as follows:</p> <ul style="list-style-type: none"> • Discount rates are determined using a capital asset pricing model to calculate a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the asset. • Risk adjustments specific to the counterparties (including assumptions about credit default rates) are derived from credit risk grading determined by the Company's internal credit risk management group. • Earnings growth factor for unlisted equity securities are estimated based on market information for similar types of companies. <p>Changes in level 2 and 3 fair values are analyzed at the end of each reporting period during the quarterly valuation discussion between the CFO, AC and the valuation team. As part of this discussion the team presents a report that explains the reason for the fair value movements.</p>
33.	<p>Financial risk management</p>
(a)	<p>Risk management framework</p> <p>In the ordinary course of business, the Company is exposed to a different extent to a variety of financial risks: foreign currency risk, interest rate risk, liquidity risk, price risk and credit risk. In order to minimize any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.</p> <p>This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.</p>
(b)	<p>Credit risk</p> <p>Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in financial instruments.</p> <p>The carrying amount of financial assets represents the maximum credit exposure. The Company monitor credit risk very closely both in domestic and export market. The Management impact analysis shows credit risk and impact assessment as low.</p> <p>Trade and other receivables</p> <p>Credit risk is the risk that a customer may default or not meet its obligations to the company on a timely basis, leading to financial losses by the Company. The management has an advance collection /credit policy criteria in place and the exposure to credit risk is monitored on an ongoing basis. Credit evaluations are performed on all customers requiring credit over a certain amount. Before accepting a new customer, the Company uses an internal credit system to assess the potential customer's credit quality and defines credit limits separately for each individual customer. The gross carrying amount of trade receivables as at 31st March 2020 aggregates Rs 2487.87 lacs (Previous year ended 31st March 2019 Rs 2955.03 Lacs). The Company reviews for any required allowance for impairment that represents its expected credit losses in</p>

	<p>respect of trade receivables.</p> <p>Investments are reviewed for any fair valuation loss on periodically basis and necessary provision/fair valuation adjustments has been made based on the valuation carried by the management to the extent available sources, the management does not expect any investment counterparty to fail to meet its obligations.</p>
(c)	Liquidity Risk
	<p>Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due. The Company's liquidity position is carefully monitored and managed. The Company has in place a detailed budgeting and cash forecasting process to help ensure that it has adequate cash available to meet its payment obligations.</p> <p>Further, the Company continues to maintain enough liquidity buffer to meet additional demands that may emerge on account of COVID-19 crisis.</p> <p>The following table provides details of the remaining contractual maturity of the Company's financial Liabilities. It has been drawn up based on the undiscounted cash flows and the earliest date on which the Company can be required to pay. The table includes only principal cash flows.</p>

(d)	Market risk
	<p>Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices mainly comprise three types of risk: currency rate risk, interest rate risk and other price risks. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and financial liabilities held as at March 31, 2018 and March 31, 2017. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return. The Company uses derivatives like forward</p>

	contracts to manage market risks on account of foreign exchange.					
(e) Currency risk	The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the USD. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the company's functional currency (Rupees).					
	Exposure to currency risk					
	The summary of quantitative data about the Company's exposure (Unhedged) to currency risk as reported to the management of the Company is as follows :					
	Rs in Lacs					
	Nature	Cross Currency	As at 31st March 2021		As at 31st March 2020	
			Foreign Currency	INR (In Lacs)	Foreign Currency	INR (In Lacs)
	Financial Liabilities					
	Trade and Other Payables	USD : INR	-	-	-	-
	Financial Assets					
	Advance to Supplier	USD : INR	-	-	1969.94	1.48
(f) Interest rate risk	The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. During 31 March 2020, 31 March 2019 and 31 March 2018, the Company's borrowings at variable rate were denominated in INR. Currently the Company's borrowings are within acceptable risk levels, as determined by the management, hence the Company has not taken any swaps to hedge the interest rate risk.
